

## **INDIAN JOURNAL OF ENVIRONMENTAL SCIENCES**

**VOL 16, No. 1, 2012**

### **CONTENTS**

<b>P. Parimaladevi and V. Venkateswaran</b> , Removal of basic dyes (methylene blue and rhodamine b) from aqueous solution by biosorption on to fruit waste	1-7
<b>Shubh Narain and Ashish Tripathi</b> , Studies on the haematology, histopathology and histochemistry of a freshwater turtle <i>Kachuga tentoria</i> under varying pollution load	9-16
<b>S.S.Ragit, S.K.Mohapatra and K.Kundu</b> , Experimental evaluation on the single cylinder, 4-stroke CI engine using hemp oil and its respective blends for the analysis of performance and emission characteristics	17-21
<b>Rajesh Kr.Yadav, Smita Sharma, Yashoda Saini, Sudha Kalla and Ajay Singh</b> , Comparative analysis of water quality of different ghats of Pushkar lake for two decades	23-27
<b>Jaspal Singh and Annapurna Singh</b> , Detoxification of organotin compounds by microorganisms: a review	29-34
<b>Kakali Das</b> , Water mediated pollution at a certain stretch of industrial neighbourhood inhabitants along the Tamla rivulet of West Bengal	35-41
<b>Seema Jajawara and Surendra Kumar Shringi</b> , Studies on quality assessment of Chandraloi river water near Kota, Rajasthan	43-46
<b>Ramesh Janjala and M.M. Vaishnav</b> , Physico-chemical monitoring and statistical evaluation of surface water in Korba District, C.G. India	47-52
<b>P. Pramanik and S. Dasgupta</b> , Prevalence of cardiovascular risk among Khaini users	53-56
<b>Manisha Rani, Anubha Kaushik and Aman Sharma</b> , Assessment of the impact of IGNP irrigation and some environmental factors on malaria cases in the Northwestern Rajasthan	57-64
<b>A.P. Chidanand, S.S. Vishwabharrao and A.R. Ashturkar</b> , Status of fluoride in under ground water at Kandhar taluka, dist. Nanded	65-66
<b>Subhasini Sharma, Nivedita Yadav, Kalpana, Shweta Sharma, Ruby Grover, Ravi Goyal and K.P. Sharma</b> , Toxicological effects of Sanganer textile dye wastewater and groundwater on albino rats	67-73
<b>Environment News</b>	8,22,28,42
<b>Conferences/Symposia</b>	74
