

INDIAN JOURNAL OF ENVIRONMENTAL SCIENCES

VOL 22, No. 1, 2018

CONTENTS

Kamlesh and M.K. Kidwai , Review on chemical and biological aspects of hardness in water	1-15
Bhenila Bailung and S.P. Biswas , Assessment of physico-chemical parameters of Dihing river- tributary of almighty Brahmaputra, Assam, NE India	16-20
Dasaiah Srinivasulu, Yakkala Kalyan, Battala Gangadhar, Pavan Kumar Pindi and Gurijala Ramakrishna Naidu , Biosorption of fluoride from aqueous solutions by <i>Tinospora cordifolia</i> leaves	21-27
Deepali Sharma, Shweta Sharma, Nirmala Yadav, Subhasini Sharma and K. P. Sharma , Protective role of Spirulina and tamarind fruit pulp on sperms of fluoride exposed Swiss albino mice	28-33
Sakshi Gumber, Buddhi Prakash Sharma and Seema Bhadauria , Comparative analysis of various anti-fungal agents on Keratinophilic fungi isolated from habitats of Jaipur	34-38
Yashmin Akhtar, Jyoti Kumari Meena, Kailash Chandra Sharma and Manju Sharma , Zonation in the root apical meristem of some angiosperms	39-46
Suman Mukherjee, Mitali Ray and Sajal Ray , Azadirachtin induced ultrastructural changes on haemocyte in <i>Lamellidens marginalis</i>	47-49
Deepak Sinha and Jaya Dammani , Mass concentration of PM _{2.5} during Diwali in Raipur	50-53
